CINCINNATI, May 21.—The funeral of

six victims of Thursday's fire, at Sullivan

printing works, took place to-day at

St. Xavier's Catholic church. Four of

them, the three Leavin sisters and Miss

Winn, had one mass celebrated by Father

Brady. Father Meyers said mass for

Miss Winn and Father Boes for John

Sullivan. All the coffins were in the

church at one time. They were almost

buried with flowers and the body of the

house was crowded to its utmost capac-

ity, very largely with working girls.

The scene was most impressive. The

other victims were buried from different

places.

ened by a Land Slide.

By Telegram to THE SENTINEL.

PITTSBURG, May 21.—The land slide

at Agnew, a station on the Fort Wayne

railroad, has not yet reached the track.

There is still great danger of its coming

down and if there should be a rain with-

in the next twenty-four hours the prob-

abilities are that the whole bluff, with

thousands of tons of earth and stones will

be precipitated to the track, causing a

blockade which it will take several days

to clear away.

WASHINGTON, May 21.—The president

to-day appointed Michael M. Phelan, of

Massachusetts, counsel general at Halifax.

The department of state is closed to-day

as a mark of respect to the memory of

the late Secretary Frelinghuysen.

The president appointed the following

collectors of internal revenue: William

T. Bishop, first district of Ohio; Ira Ellis,

first district of California.

Secretary Manning has called for the

resignation of Major S. Willard Saxton,

too to receive Bartholdi's statue of liberty

on its arrival here. Mayor Grace

and the citizens and organizations were

requested to co-operate with this com-

mittee.

The family of the late Secretary Fre-

linghuysen make no secret of the fact

that the first serious illness of Judge

Frelinghuysen was due to arsenic that

in some unaccountable manner was

bottled with the mineral water he used

there was enough left in the bottle to

debate the resolution was passed by a

To Be in the Hands of a Court

Martial.

By Telegram to THE SENTINEL.

WINNIPEG, May 22.—Attorney Gen-

eral Hamilton says that Riel can be tried

by military court martial just the same

as if he was a British subject. No right

of citizenship gives protection in the

case of such an offense. Riel could

also be tried in the civil courts and be

condemned in either case. The sentence

could be executed with perfect safety

even if he were an American citizen.

He forfeits all protection by violating

the laws of a country in which the act

providing for punishment in such cases

was passed. A military court martial is

likely to be adopted in Riel's case and

done in any event the sentence will

be executed.

CHICAGO, May 22.—An article was

published here yesterday giving a de-

tailed account of the horrible murder

in 1870 of Thomas H. Scott at the

hands of Louis Riel, and in the course

of the article the name of a certain

Major Robinson was prominently men-

tioned. This Major Robinson, an ex-

officer of the English army, was for a

time editor of a paper called The New

Nation, published at Fort Garry dur-

ing a revolt of 1870, and was, accord-

ing to the article in the case of the

intercourse, with Riel at the time.

Indeed it was positively stated that

Major Robinson was present at the

death of Scott, and the description

of that tragedy was alleged to

have come from him. The

major in question is now in Chicago.

His name is Henry M. Robinson and

he is employed as associate editor of

the Interior, a weekly literary and

religious paper. To a reporter he was

inclined to be reticent on the subject of

Scott's execution.

"I am probably the only living man

beside Louis Riel," he said, "who

knows the full facts in regard to that

painful and shocking tragedy; but I

prefer to say nothing on the subject. I

two men at Eagle Creek Tuesday.

ST. LOUIS, May 22.—Judge Threl-

grant an order to-day in the United

States circuit court, transferring the

Havana, Rantoul & Eastern division of

the Wabash railway to the trustee

under a mortgage of December 26,

1879, securing an issue of \$300,000

bonds on which the interest has been

defaulted. He also issued a similar

order transferring the Toledo, Peoria

& Western division of the same road

to the trustee under a mortgage

securing an issue of \$1,500,000 bonds,

on which the interest has been default-

ed. The court reserves the right of ju-

risdiction in both cases and the receivers

of the Wabash can redeem the property

on the payment of the interest and cost

of litigation.

Victor Hugo.

By Cable to THE SENTINEL.

PARIS, May 21.—Victor Hugo's re-

mains will lie in state for three days

under the Arc de Triomphe in a catafalque.

Hugo bequeathed \$10,000 to the poor,

ordered his body carried unostentatiously

in a pauper hearse and also affirmed

his belief in God.

The Lightning Express Runs Into

Some Cattle at Buck Creek.

The east-bound express on the Wabash

yesterday afternoon struck a cow, about

125, at the switch on the east side of the

Lafayette depot at Buck creek. A boy

was driving two cows across the track

when the engine struck one of the cows,

throwing it forty feet up into the air.

Both the headlight of the locomotive and

the cow, which was thrown with tremen-

dous force against the culvert, were

wrecked. The train itself had a narrow

escape.

The indications for the lower lake re-
gion, as reported by the weather bureau
at Washington to THE SENTINEL, are as
follows: Cloudy weather, variable winds,
stationary temperature, lower barom-
eter.

Jimmy Dunn is waging war upon the
intemperance of Decatur this week. He
labored last week in Geneva and did
much good by inducing many of the
tipplers and a few of the toper to don
the blue ribbon.

This item is going the newspaper
rounds of the country: "A Toledo man
whose wife presented him with a pair of
twins telegraphed to his brother in Fort
Wayne, 'Whoop! I was made the
father of a pair of twins last night. More
later.'"

The Decatur *Journal* has this:
"There seems to be some attraction in
this city for a young man of Fort Wayne
by the name of Martin Enkerlancher.
While visiting this city, or one of its fair
daughters, last Thursday evening, he was
entertained by Miss Maggie."

So far this season thirty thousand emi-
grants have been taken west by the
Pennsylvania, of whom seventeen thou-
sand were handled during the last three
weeks. Fifty thousand tickets have
been sold in Europe. Two thousand
emigrants went through Pittsburg on
Saturday, a family of forty-two persons
being among them.

The Decatur *Journal* says: "Mrs.
Wells, of Fort Wayne, visited this city
last Sunday and spoke in the interests of
the missionary cause. She is an able
and eloquent talker, and manifests a deep
interest in the good work which she rep-
resents. She advocates the home mis-
sion as well as the foreign, and in that
we think she is about right."

Engineer Caleb Remond, of this city,
is in the Walbach hospital at Kansas City,
where he is being treated for inflammation
of the spinal cord, which has threat-
ened complete paralysis. Mr. Remond's
condition has been very critical, and his
life was at one time despaired of. It will
be a long time before he will be able to
work, probably a year.

The Andrews *Express* says: "The fol-
lowing gentlemen from Fort Wayne
were in attendance at the ball Friday
night: Joseph Woods, H. C. Lamborn,
Thomas Daily, Charles Banta, William
Clark, Thomas Bailey, Daniel Bradlee,
John Dekey, Henry Kohn, Charles
Newhart, John Smith and W. H. Doty.
Howard Skiles, of Dayton, Ohio, was
also with the party."

Hay is worth from \$10 to \$12 a ton.

and will again locate in this city.

Mrs. Fred Graffe is entertaining her
sister, Miss Maggie Polk, of Walbach.

Ed Cadore was arraigned before
Esquire Ryan for provoking Henry Ha-
german.

Mr. D. Nostel received a telegram to-
day saying his brother would arrive this
afternoon at 3 o'clock.

Mrs. Andrew F. Glutting returned last
evening from Washington, D. C., where
she was the guest of her parents.

Mrs. Lonnie Dehne died yesterday at
110 day street, of puerperal fever. Her
funeral occurs to-morrow afternoon.

terian Sabbath school has been changed

guest of his brother, Will McKinnis, of
the railroad house.

teaching the past year in the neighbor-
hood of Kingston, Ohio, returns to her
home and many friends in Fort Wayne
next Tuesday.

eral Master Mechanic Barnes, of the

ing. Mr. Talmage went to Toledo and
Mr. Barnes is here.

Let our ministers remember, in their

The Pittsburg company is building a
number of "hog" engines to draw the
heavy trains on which double-haulers
are now used. This move will still re-
duce their force of men, as it will dis-
pense with a number of firemen and
engineers.

Francis Eickhoff died last night at the
house of his son, Charles Eickhoff, from
exhaustion. Mr. Eickhoff has lived in
this city for forty years. His funeral oc-
curs Sunday afternoon from the home of
his son, on West Main street, at the cor-
ner of Ewing.

Mr. and Mrs. J. F. Wm. Meyer cele-
brated their silver wedding last night,
and three hundred friends gathered to
greet the good people and sit to an ele-
gant banquet. Many guests from abroad
were present and the occasion will be
memorable in Fort Wayne.

The Walbach receivers yesterday filed
in the United States circuit court at St.
Louis, their quarterly report of the
earnings and expenses of the leased lines
of the system from December 1, 1884, to
February 28, 1885. On seventeen of the
leased lines the report shows that the
expenses exceed the earnings.

The Kerr Murray strike continues
with unabated determination on both
sides. Three men quit work this morn-
ing and Ira Thompson says this is his
last day. Mayor Muhler swore in Tom
Doyle and Ferdinand Meyers this morn-
ing as special policemen to patrol the
Kerr Murray works. Mr. A. D. Crowder
says them.

Bob McDonald, of the Home Billiard
hall, has consented to take the refresh-
ment privileges at the Piquetteaquana
house at Lake Geneva, now managed by
George J. E. Meyer. Mr. McDonald is
a clever fellow and will make the house
of call popular. John McCain has em-
ployed a gentleman from Chicago to
take Bob's place at the Home.

Improvements on several branches of
the Walbach road have recently been
commenced and the company has begun
laying fifteen miles of steel rails, weigh-
ing sixty-five pounds per yard, on the
Ed River division. Nearly all the east
bound traffic of the line is now sent via
the Ed River branch instead of over the
main line to Toledo, as formerly.

Pete Tonnellier, proprietor of the Pal-
ace saloon, protests that he is not so bad
a man as the papers paint him. An old
sinner from Chicago follows an actress
about the country, and Mr. Tonnellier
was the last victim of his jealous rage.
Last winter the old man bought
Miss Markham a seal skin sash at
Chicago, and seems to think that gives
him a life lease on her affections. Ton-
nellier ordered the fellow away from his
saloon and then was arrested.

Dr. Wm. Jackson, an eccentric colored
man, was locked up yesterday for drink-
enough. In his traps he had two re-
volvers and shot twice at a fellow pris-
oner, one Thomas Dugan, who called
the medicine man of color bad names.
Chief Diehl disarmed the vicious evan,
and Mayor Muhler bound him to the
criminal court this morning for
shooting with intent to kill. The fellow
has scarp looks, and is as crazy as a bed
bug. Nothing will come of the case.

HAPPY BOYS.

The Walbach Men to Celebrate
Three Days Picnicking and
Hiking.

The employees of the entire Wal-
bach system have won every point
they contended for and are in the best
accord with the management of the road
from foreman to general manager. The
men in consequence are elated, and feel
as though they could go to work with
renewed energy and labor in the interest
of the company. Two grand picnics
have been arranged for, to be held on
Tuesday next—one east and the other
west of the Mississippi river—when all
shop employees of the entire line will be
given a three days' vacation and special
trains to carry them to the places of
holding their picnic and interchange of
pleasant greeting with one another, and
affording them an opportunity to culti-
vate a more thorough brotherly feeling.
The picnic of the east end will be held
at Lafayette. Edward A. Schriber, rep-
resenting the Springfield division, and
W. H. Ryan, of the Fort Wayne delega-
tion, were in that city yesterday making
arrangements, and secured the lease of
Barbee's grove, where the picnic will be
held. Another delegation went to La-
fayette today to perfect arrangements.
Those who will picnic there will number
about 1,500, of which Fort Wayne will
send 700 and Springfield 800.

Gamblers Pulled.

The police pulled the gaming rooms
near the corner of Calhoun and Wayne
streets, last night, and captured a dozen
gentlemen, who had "just stepped in to
see a friend." The party registered as
William Douglas, Louis Oliver, Charles
Voris, Frank Brown, George Scott,
Frank Williams, Charles Wilson, George
Woodberry, Frank Ward alias Dr. Char-
ter, John Clark, John Ryan and Mi-
chael Horn. They all put up or gave
some sort of security for their appear-
ance at police court. It cost the gang
\$13 apiece and all paid but four. Two
of them got a continuance until Monday.
Michael Horn went to jail and Dr. Char-
ter is hustling \$19.

J. H. Barnes' Successor.

This afternoon General Master Me-
chanic Barnes announced the appoint-
ment of Will Morris, now division master
mechanic on the Iron Mountain road, as
master mechanic on this division
of the Walbach. Mr. Morris is a Fort
Wayne boy and every way qualified for
the trust, which is well bestowed.

No Honor, But Facts.

Since Dr. Nicholls came to our city,
less than three months ago, he has
treated 1,134 patients. Out of that num-
ber he has yet to hear of one who has
not been benefited or been permanently
cured. Those doubting the truth of this
statement can examine the doctor's books
at his office where the learned physician
has the name, street and number of all
the patients treated by him. THE SEN-
TINEL doubts if there was ever a profes-
sional man who has had such merited
success in so short a space of time as
Dr. Nicholls.

Tough Old Soldiers.

There are various forms of dyspepsia,
chiefly acute and chronic. "Acute" may
seize you in a moment in the shape of a
sudden fit of indigestion. "Chronic" keeps
its victim in perpetual pain and
worry. Even old chronic can be rooted
out by Brown's Iron Bitters. Mr. I. L.
Cavins, Dinwiddie, Va., says: "Brown's
Iron Bitters made me entirely well of
dyspepsia, of twenty years standing. If
it will do such a wonder as that, what
will it do for your comparatively recent
case?"
